John M. Olzinger
LESCO, Inc.
1385 East 36th Street
Cleveland, OH 44114

MAY 8 2013

Subject: Notification per PRN 98-10
Proposed Primary Brand Name: LESCO Atrazine 0.76% Plus Fertilizer
Proposed Alternate Brand Name: LESCO St. Augustinegrass Weed & Feed
Proposed Alternate Brand Name: LESCO Atrazine Weed & Feed 76
EPA Registration Number: 10404-39
Application Dated: May 2, 2013

Dear Mr. Olzinger,

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for LESCO Atrazine 0.76% Plus Fertilizer (EPA Reg. No. 10404-39) dated May 2, 2013. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10. The primary and alternate brand names are acceptable. Our records will be updated to reflect these changes.

If you have any questions, please contact Emily Hartman of my staff at (703) 347-0189 or hartman.emily@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Kable Bo Davis", written over a large, loopy scribble.

Kable Bo Davis, Product Manager 25
Herbicide Branch
Registration Division

SUBJECT: Notifications: Clarification of Primary and Alternate Brand Names

Dear Ms. Montague:

Enclosed are applications requesting clarification of Primary and alternate Brand Names for LESCO-branded Atrazine EPA Registrations. The following are the brand names requested:

- Primary: LESCO Atrazine 0.76% Plus Fertilizer, EPA Reg. No. 10404-39
ABN: LESCO St. Augustinegrass Weed & Feed, EPA Reg. No. 10404-39
ABN: LESCO Atrazine Weed & Feed 76, EPA Reg. No. 10404-39
- Primary: LESCO Atrazine 1.05% Plus Fertilizer, EPA Reg. No. 10404-94
ABN: LESCO Atrazine Weed & Feed 105, EPA Reg. No. 10404-94
- Primary: LESCO Atrazine 0.45% Plus Fertilizer, EPA Reg. No. 10404-95
ABN: LESCO Atrazine Weed & Feed 45, EPA Reg. No. 10404-95
- Primary: LESCO Atrazine 0.92% Plus Fertilizer, EPA Reg. No. 10404-96
ABN: LESCO Atrazine Weed & Feed 92, EPA Reg. No. 10404-96

The following documentations is provided as support of each registration request:

- Notification Application – EPA #8570-1 (1 copy)
- Certification Statement – (1 copy)
- Master Label reflecting Primary Brand Name (1 copy)

Please have Agency files updated to reflect the above Primary and ABNs for each registration.

We appreciate your assistance on these submissions. Please do not hesitate to contact me with any questions or concerns you may have when reviewing our applications.

Sincerely,

John M. Olzinger

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Harmful if absorbed. Avoid contact with skin, eyes, nose, mouth, or clothing. Avoid breathing dust. Wash thoroughly with soap and water after handling. Lockers, lockers, and other containers must be kept closed and locked. Do not use any equipment that has been used for application of this product. Do not use any equipment that has been used for application of this product.

NON-AGRICULTURAL REQUIREMENTS
The requirements in this box apply to uses of this product that are NOT within the scope of the Worker Protection Standard for agricultural pesticides (40 CFR Part 170). The WPS applies when this product is used to produce agricultural pesticides on farms, forests, nurseries, or greenhouses. Do not enter or allow others to enter the treated area until either the treated area is completely dry or the application, do not enter or allow others to enter the treated area (except those persons involved in the application) until the application is complete. If the incorporation is accomplished by watering-in, do not enter or allow others to enter the treated area until the product is dry after the watering-in.

IMPORTANT: In addition to providing instructions with required labels, this product will control weeds, grasses, and other unwanted plants. For more information, see the label.

FOR WEEDS THAT ARE PRESENT: Includes broadleaf weeds from the list such as: Chickweed, Creeping Charlie, Dandelion, Evening Primrose, Florida Pusley, Uppala, Quail, Pigweed, Plantain, Rabbit Tobacco, and Toadflax.

FOR WEEDS GERMINATING FROM SEEDS: Applied before weeds develop germinate. Includes grassy weeds from the list such as: Crabgrass, Paspalum, and Spotted Spurge.

WHERE TO USE
FOR CONTROL of weeds in St. Augustine and Centipede grass in a residential lawn, corporate lawns, golf courses, tennis courts, and athletic fields.
NOT FOR USE on lawns, golf courses, tennis courts, and athletic fields.
NOT FOR USE on lawns, golf courses, tennis courts, and athletic fields.

WHEN TO APPLY
Best weed control will result if applied before weeds start to grow. The product acts as a "pre-emergent" and also as a "post-emergent" herbicide. Established weeds are harder to kill and may require an additional application in the fall or spring. For newly seeded turfgrass, weed until grass has been mowed at least once. Do not mow "stripes" within one month after application, or mow within 6 weeks after application. For broadcast weeds apply anytime the weeds are present and actively growing. Early spring application is recommended for best control such as January 1st up to March 1st, otherwise it may be applied up to June 15th with good weed control.

For pre-emergent weed control (see above) apply before weeds germinate. A full application will be needed for control of certain annuals such as Chickweed, Herb, Rabbit Tobacco, Florida Pusley and Evening Primrose. In case of heavy weed infestation or low soil moisture, a repeat application may be necessary. Wait 2 months for a repeat application. Apply when air is calm to prevent particle wind drift. Apply this product only when grass blades are dry. To verify proper application timing consult your State Agricultural Extension Service, Turfgrass Specialist.

USE PRECAUTIONS
Spray product off walks and patios and avoid application to nearby possible occupants. Do not apply this product on or over the root zone of ornamental trees and shrubs, nor to bedding plants, lawns, or garden plants near turf to these plants may result. Do not apply to bedding containing grasses or mixtures of grasses other than St. Augustine or Centipede grasses, since spray to these other grasses may result.

DO NOT APPLY THIS PRODUCT IN A MANNER THAT WILL CONTACT ANY PERSON OR PET. EITHER DIRECTLY OR THROUGH DRIFT. KEEP PEOPLE AND PETS OFF OF THE AREA DURING APPLICATION. THIS PRODUCT MUST BE WATERED IN IMMEDIATELY AFTER APPLICATION. DO NOT ENTER OR ALLOW OTHERS INCLUDING CHILDREN OR PETS TO ENTER THE TREATED AREAS (EXCEPT THOSE INVOLVED IN THE WATERING-IN) UNTIL THE WATERING-IN IS COMPLETE AND THE SURFACE IS DRY.

HOW TO APPLY
Apply 4.5 lb. to 6.0 lb. of Atrazine 0.76% Plus Fertilizer (equivalent to the required 1.5 - 2.0 lb. Atrazine per acre) using the lower rate for average wear and tear on the roller. The higher rate for heavy wear. Do not exceed recommended rates. Do not apply more than 6.0 lb. Atrazine (2 applications) per acre per year. Apply to dry grass. This product must be watered in immediately after application.

SUGGESTED SPREADER SETTINGS
Recommended Rates in lb. per 1,000 sq. ft.
4.5 lb. to 6.0 lb.
LESCO Cabination Gauge
SCOTT'S RRA
Cylone® or Skyhawk®
Elyon® or Skyhawk®

*Settings are approximate. Age, condition of spreader and operator speed can cause variation. Be sure to calibrate your spreader with each application. An extended Spreader Safety listing can be found at www.lesco.com.

STORAGE AND DISPOSAL
Do not contaminate water, food, or feed by storage or disposal. Store product in original labeled container in a cool, dry, locked place out of children's reach.

PESTICIDE DISPOSAL: Weeds resulting from the use of this product that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticide disposal or in accordance with applicable Federal, State or local procedures. Do not use (1-800-CLEANUP) for disposal instructions. Never place unused product down any indoor or outdoor drain.

EMPTY CONTAINER DISPOSAL: Non-refillable container. Do not reuse or refill this container. Other for recycling, if available.
In case of spill, sweep up material and dispose of material according to "product disposal" directions listed above.
